

# Because God Loves Me CS #234

Words and Music by  
Joleen Grant Meredith

**God planned the day;**

... he  
planned  
the  
night.

He gave  
the  
darkness,

...then the light,

The sky  
of blue

... the sun  
so bright,

Because he loves me.

God  
gave me  
a family,

A cheerful heart

...and eyes to see

That I  
might  
live here  
happily,
